U.S. Probation Officer Action:

On November 29, 2021, during a home visit, the undersigned officer requested a urine specimen from Mr. Pabon and the results were positive for marijuana. Following the administration of the urine screening, Mr. Pabon admitted he smoked marijuana on November 15, 2021, at his job after one of his clients gave him the substance. Mr. Pabon indicated he has been under a lot of stress lately with his wife's delicate pregnancy and being the breadwinner of his household. Based on Mr. Pabon's otherwise compliant behavior on supervision, at this time no Court action is requested. The probation office would like to provide Mr. Pabon with the opportunity to engage in treatment and address any substance abuse issues. His drug use will continue to be monitored closely and any further drug use or other instances of non-compliance, will be reported to the Court immediately with an appropriate recommendation.
